

## Gas solder iron Independent 130

Gas solder iron Independent 75 with nickel coated tip 0G072KN

Article No	0G070KN
Power Rating in W	75
Heat up time in sec	46
Temperature / max	580
Coating	nickel-plated
Diameter/width mm	2,4
Weight in kg	0,25
Operational time with one filling	60
Ignition	Piezo
