

Gas solder iron Independent 130

Gas solder iron Independent 130 with nickel coated tip 0G132KN

Article No	0G132KN
Power Rating in W	130
Heat up time in sec	50
Temperature / max	580
Coating	nickel-plated
Diameter/width mm	2,4
Weight in kg	0,4
Operational time with one filling	120
Ignition	Piezo
