**DESCRIZIONE / DESCRIPTION / DESCRIPTION / DESCRIPCIÓN / BESCHREIBUNG**

**Powerful Brightness and Wide Light Beam:** The 5W COB LED lantern offers high brightness of 250 lumens, ensuring strong illumination in different situations. Thanks to its 360 degree design, it offers a full light opening, eliminating dark corners and providing optimal visibility in all directions.  
**Power Options:** This lantern comes with a built-in 1800mAh Li-ion battery, which provides big charge, convenient for long time use. Alternatively, it can run on 3 AA batteries (not included), providing a backup power option when you don't have access to an electrical outlet or in an emergency.  
**Easy to Use:** The pull-out feature makes it easy to light the lantern. Simply pull it up and it automatically turns on, giving you instant illumination without having to fumble for a switch or press a button. This simple operation makes it convenient to use in emergency situations or when you need a quick light source.  
**VERSATILE WITH MULTIPLE FUNCTIONS:** In addition to its main function as a lantern, this light also offers a handy flashlight function for focused light and an emergency red light to signal critical situations. This versatility makes it an ideal 3-in-1 tool for outdoor activities, camping, hiking or as a safety device.  
**Portable and Convenient:** The lantern is designed for maximum portability and ease of use. It has 3 magnets that allow it to be attached to metal surfaces, providing hands-free lighting. Plus, it has 3 handles that allow you to easily hang or carry it anywhere you need it. This feature makes it an ideal companion for outdoor adventures, repair work or emergencies.
