Pratica Modula Easy 200 IP65 SE-SA Rest Mode 200/80 lm (1h/3h)

B18511

PM EASY EU 200 1/3H IP65 TRSA

|                                                      | B18511                             |
|------------------------------------------------------|------------------------------------|
| Mounting method                                      | Surface mounting/recessed mounting |
| Emergency function monitoring system                 | Automatic self test                |
| Emergency power supply system                        | Peripheral (individual battery)    |
| Lamp type                                            | LED not exchangeable               |
| With light source                                    | Yes                                |
| Housing material                                     | Plastic                            |
| Housing colour                                       | White                              |
| Material cover                                       | Plastic, transparent               |
| Voltage type                                         | AC                                 |
| Nominal voltage                                      | 230 - 230 V                        |
| Degree of protection (IP)                            | IP65                               |
| Impact strength                                      | IK07                               |
| Rated ambient temperature according to IEC 62722-2-1 | 0 - 40 °C                          |
| Luminous flux in emergency mode                      | 200 lm                             |
| Max. system power                                    | 2 W                                |
| Power consumption in emergency mode                  | 2 W                                |
| Luminous flux in standby mode                        | 80 lm                              |
| Colour temperature                                   | 4000 - 4000 K                      |
| Recognition distance                                 | 25 m                               |
| Nominal operation time                               | 1 - 3 h                            |
| Width                                                | 119 mm                             |
| Height/depth                                         | 39 mm                              |
| Length                                               | 265 mm                             |
| Built-in height/depth                                | 50 mm                              |
