## 9/14/18W AQUA1 LED Bulkhead White CCT Emergency

BEL11601

### 9/14/18W AQUA1 LED Bulkhead White CCT Emergency

|                                                 | BEL11601                                |
|-------------------------------------------------|-----------------------------------------|
| Suitable for wall mounting                      | Yes                                     |
| Suitable for ceiling mounting                   | Yes                                     |
| Suitable for surface mounting                   | Yes                                     |
| Lamp type                                       | LED not exchangeable                    |
| With light source                               | Yes                                     |
| Housing material                                | Plastic                                 |
| Housing colour                                  | White                                   |
| Material cover                                  | Plastic, opal                           |
| Type of grid                                    | Matt                                    |
| Voltage type                                    | AC                                      |
| Nominal voltage                                 | 220 - 240 V                             |
| Nominal current                                 | 130 - 130 mA                            |
| Type of control gear                            | LED operating device current-controlled |
| Dimmable                                        | Yes                                     |
| Light distribution                              | Symmetric                               |
| Beam angle                                      | > 80° - Extreme wide beam               |
| Light outlet                                    | Direct                                  |
| Rated lifetime L70/B50 at 25 °C                 | 50000 h                                 |
| Degree of protection (IP), front side           | IP65                                    |
| Impact strength                                 | IK10                                    |
| Emergency power supply system                   | Peripheral (individual battery)         |
| Luminous flux in emergency mode                 | 145 lm                                  |
| Suitable for emergency lighting                 | Yes                                     |
| With movement sensor                            | Yes                                     |
| Movement sensor/presence detector technology    | High frequency                          |
| Luminaire efficacy                              | 134 - 134 lm/W                          |
| Max. system power                               | 18 W                                    |
| Rated luminous flux according to IEC 62722-2- 1 | 1205 - 2408 lm                          |
| Colour of light                                 | White                                   |

## 9/14/18W AQUA1 LED Bulkhead White CCT Emergency
