### Connecting Sleeve For Plastic Cables Type Gt-A- 3

|                                                        | GT3                    |
|--------------------------------------------------------|------------------------|
| Rated voltage U0/U (Um)                                | 0.6/1 (1.2) kV         |
| Model                                                  | Cast resin             |
| Insulating material                                    | Plastic                |
| For connection of paper- with plastic insulated cables | No                     |
| Number of conductors                                   | 4                      |
| Nominal cross section conductor                        | 6 - 25 mm <sup>2</sup> |
| Mining sector approval                                 | No                     |
| With concentric shielding                              | Yes                    |
| Suitable for                                           | N(A)YY                 |
| Connection accessories included                        | None                   |
| Halogen free                                           | Yes                    |

|                |               |
