#### TOURNEVIS TESTER (GS)+(CE)

|                                           |                |
|-------------------------------------------|----------------|
|                                           | <b>100647</b>  |
| Type of test                              | 1-pole         |
| Voltage indication                        | Glow lamp      |
| Voltage measuring range                   | 120 - 250 V    |
| Length                                    | 140 mm         |
| Blade length                              | 65 mm          |
| Blade width                               | 3 mm           |
| Internal base load                        | No             |
| Load switchable                           | No             |
| Indication of direction of field rotation | No             |
| Resistance measuring range                | 120 - 250 kOhm |

|                |               |
