

## Electrical testing and measuring instruments

### Digitale multimeter Multi Check III

103815

**haupa**

#### Digitale multimeter Multi Check III

|                                         |               |
|-----------------------------------------|---------------|
|                                         | <b>103815</b> |
| Indication                              | Digital       |
| Multiple display                        | Yes           |
| Measuring range selection               | Automatic     |
| Max. voltage measuring range AC         | 600 V         |
| Max. voltage measuring range DC         | 600 V         |
| Max. current measuring range, AC        | 10 A          |
| Max. current measuring range, DC        | 10 A          |
| Max. resistance measuring range         | 60 MOhm       |
| Max. temperature measuring range        | 1000 °C       |
| Capacitance measurement                 | Yes           |
| Max. capacitance measuring range        | 600 µF        |
| Frequency measurement                   | Yes           |
| Max. frequency measuring range          | 10000 kHz     |
| Resistance test/diode test              | Yes           |
| Continuity test                         | Yes           |
| Data hold                               | Yes           |
| True RMS measurement                    | Yes           |
| Measuring circuit category              | CAT III       |
| Max. voltage measuring circuit category | 600 V         |
