#### Ultra connector Nylon 3 poles

|                                               |               |
|-----------------------------------------------|---------------|
|                                               | <b>265034</b> |
| Number of clamp positions (installation side) | 3             |
| Cable diameter                                | 1 - 2.5 mm    |
| Type of locking/unlocking                     | None          |
| Colour                                        | Red           |
| Transparent                                   | No            |
| Nominal voltage                               | 450 V         |
| Nominal current                               | 24 A          |
| Suitable for solid conductors                 | Yes           |
| Suitable for flexible conductors              | No            |
| Suitable for multi-wire conductors            | No            |

|                |               |
