Heat shrink tubing 2:1 12.7 - 6.0 1.2 m black

|                                   | 267264                        |
|-----------------------------------|-------------------------------|
| Type                              | Heat-shrink                   |
| Model                             | Thin-walled                   |
| Shrink rate                       | 02:01                         |
| Inner diameter before heat-shrink | 12.7 mm                       |
| Inner diameter after heat-shrink  | 6 mm                          |
| Wall thickness after shrinking    | 0.56 mm                       |
| Length                            | 1.2 m                         |
| Operating temperature             | -55 °C                        |
| Colour                            | Black                         |
| Material                          | Crosslinked polyolefin (XLPO) |
| Halogen free                      | Yes                           |
| With inner glue                   | No                            |
| UL approval                       | Yes                           |

|                |               |
