Heat shrinkable tubing 2:1 . . 19,0-9,0.1,2 m yellow

|                                   |                               |
|-----------------------------------|-------------------------------|
|                                   | <b>267286</b>                 |
| Type                              | Heat-shrink                   |
| Model                             | Thin-walled                   |
| Shrink rate                       | 02:01                         |
| Inner diameter before heat-shrink | 19 mm                         |
| Inner diameter after heat-shrink  | 9 mm                          |
| Wall thickness after shrinking    | 0.77 mm                       |
| Length                            | 1.2 m                         |
| Operating temperature             | -55 °C                        |
| Colour                            | Yellow                        |
| Material                          | Crosslinked polyolefin (XLPO) |
| Halogen free                      | Yes                           |
| With inner glue                   | No                            |
| UL approval                       | Yes                           |

|                |               |
