Butt connector standard tin - plated 6 mm<sup>2</sup>

|                                            | 291058                |
|--------------------------------------------|-----------------------|
| Nominal cross section                      | 6 - 6 mm <sup>2</sup> |
| Model                                      | Standard version      |
| Sleeve form                                | Long                  |
| Suitable for solid conductors              | No                    |
| Suitable for stranded conductors           | Yes                   |
| Suitable for fine strand conductors        | No                    |
| Suitable for high temperatures (to 650 °C) | No                    |
| Suitable for insulated varnish             | No                    |
| Suitable for round conductors              | Yes                   |
| Suitable for flat conductors               | No                    |
| Material                                   | Copper                |
| Insulation                                 | None                  |
| Voltage level                              | Up to 10 kV           |
| Type of connection                         | Percussion connector  |
| Number of branches                         | 2                     |
| For pull protected connections             | No                    |
| Oil stop/centre bar                        | No                    |

|                |               |
