

## Luminares

PRO STRIP LED CRI80 - - 24 V - 4,32 W - 414 lm/m - 3000 K - 25 MC21974/24  
m x 1

PRO STRIP LED CRI80 - - 24 V - 4,32 W - 414 lm/m - 3000 K - 25 m x 10 cm x 12 mm

|                                                                                  | MC21974/24                              |
|----------------------------------------------------------------------------------|-----------------------------------------|
| Model                                                                            | Strip                                   |
| Lamp type                                                                        | LED not exchangeable                    |
| Lamp power per meter                                                             | 4.32 W                                  |
| Luminous flux per meter                                                          | 432 lm                                  |
| Voltage type                                                                     | DC                                      |
| Type of power supply                                                             | Other                                   |
| Lamp voltage                                                                     | 24 - 24 V                               |
| Beam angle                                                                       | 115 °                                   |
| Type of control gear                                                             | LED operating device current-controlled |
| Suitable for dimmer                                                              | Yes                                     |
| Energy efficiency class of the light source according to EU regulation 2019/2015 | F                                       |
| Lumen maintenance at median useful life of 50,000 h at 25 °C ambient (tq)        | 96 %                                    |
| Failure rate at median useful life of 50,000 h at 25 °C ambient (tq)             | 10 %                                    |
| Colour of light                                                                  | White                                   |
| Colour temperature                                                               | 4000 - 4000 K                           |
| Beam angle adjustable                                                            | No                                      |
| Width                                                                            | 8 mm                                    |
| Height/depth                                                                     | 1.2 mm                                  |
| Total length                                                                     | 5 m                                     |
