

## Optical and acoustic signalling equipment

### SIRENA LED microlamp A F/L SMD 90/240vor

38652

**SIRENA**

#### SIRENA LED microlamp A F/L SMD 90/240vor

|                                   | 38652                      |
|-----------------------------------|----------------------------|
| Nominal voltage                   | 90 - 240 V                 |
| Type of current                   | AC                         |
| Electricity consumption           | 0.004 A                    |
| Power                             | 5 W                        |
| Power consumption in standby mode | 0 W                        |
| Colour of lamp hood               | Orange                     |
| Lamp type                         | LED                        |
| Loudness                          | 72 dB                      |
| Type of optical signal            | Other                      |
| Type of acoustic signal device    | Other                      |
| Type of acoustic signal           | Pulse tone/continuous tone |
| Suitable for ceiling mounting     | No                         |
| Housing colour                    | Other                      |
| Degree of protection (IP)         | IP30                       |
| Degree of protection (NEMA)       | Other                      |
| With contact                      | No                         |
| Frequency sound signal            | 3.2 - 3.2 kHz              |
| According to EN 54-23             | No                         |
| Compatible with Apple HomeKit     | No                         |
| Compatible with Google Assistant  | No                         |
| Compatible with Amazon Alexa      | No                         |
| IFTTT support available           | No                         |
