### Flashguard Clear Beacon DC

|                               | TEXQBS0302       |
|-------------------------------|------------------|
| Nominal voltage               | 10 - 30 V        |
| Type of current               | DC               |
| Electricity consumption       | 30 A             |
| Degree of protection (IP)     | IP65             |
| Housing material              | Plastic          |
| Colour of lamp hood           | Colourless       |
| Mounting method               | Surface mounting |
| Lamp type                     | LED              |
| Suitable for wall mounting    | Yes              |
| Suitable for ceiling mounting | Yes              |

|                |                         |
