DESCRIZIONE / DESCRIPTION / DESCRIPTION / DESCRIPCIÓN / BESCHREIBUNG

When connected to the current the torch acts as a night light; the two side LEDs are on and emit a light light. Automatic ignition function: in the event of a power failure, the central and most powerful LED lights up. Torch: the internal battery allows you to detach the light from the socket and use it as an emergency torch. Lithium ion battery included; 10A plug compatible with all sockets (10A-16A-schuko). Velamp, an Italian brand since 1906; beware of imitations.
