DESCRIZIONE / DESCRIPTION / DESCRIPTION / DESCRIPCIÓN / BESCHREIBUNG

Very high brightness: the use of high quality SMD LEDs ensures high luminous efficiency (15000 real lumens), long life, excellent heat dissipation performance; service life: 20,000 hours; driver dob: to give more compact dimensions than traditional spotlights. Waterproof and resistant: IP65 waterproof, it can be used for both inside and outside; the use of ultra-resistant materials such as tempered glass and high-quality die-cast aluminium makes the lamp particularly resistant to shocks and atmospheric agents. Ideal for lighting a warehouse, a garage, an outdoor area such as a garden or a driveway; wherever you need it; the 120 ° diffused beam makes it a perfect lighting tool also for walls and facades. Very low energy consumption: the outdoor LED spotlight saves you up to 80% of electricity compared to normal lights, directly reducing the amount of electricity bills. Cold light 6500K; not dimmable; class i; connection cable 30cm.
