DESCRIZIONE / DESCRIPTION / DESCRIPTION / DESCRIPCIÓN / BESCHREIBUNG

It can be installed everywhere: equipped with high quality aluminium cover, which allows better heat dissipation; much more resistant and elegant than plastic wardrobe lights; It is the perfect choice for use in the attic, cellar, car, children's room, cloakroom, closet, chest of drawers, emergency aid closets, garage, walk-in closet, medicine cabinet, safe. Wireless: works with 3 AAA batteries (not included); and therefore easy to install and manage. 15 hours of continuous light. With motion sensor: this light turns on automatically when it detects a movement in the covered area; it switches off automatically after 20 seconds; it will only turn on when it is dark and when motion is detected. Simple assembly: you can choose between 1) the Velcro double-sided tape (supplied), quick to install / remove; 2) dowels / screws, 3) magnet to install it on metal surfaces. This light mounts the new latest generation COB LEDs: 200 lumens (3W); it is much brighter than other similar lights.
