DESCRIZIONE / DESCRIPTION / DESCRIPTION / DESCRIPCIÓN / BESCHREIBUNG

Multifunction: light point, automatic emergency light and torch. In the event of a blackout (power failure), the upper torch lights up thanks to the automatic ignition function; you can then detach the lamp from its base and use it as a handy torch. With motion detector: the main (central) light comes on only in the dark and when it detects movement. With induction charging base: comfortable, technological and simple. 10A plug compatible with all sockets (10A-16A-schuko).
