Blister	N/A	N/A

DATI TECNICI / SPECIFICATION / CARACTÉRISTIQUES / CARACTERISTICAS / SPEZIFIKATIONEN

Power supply:	Pannello solare
Batteries included:	Si
Power supply included:	Yes
Type of power type:	Pannello solare
Battery (capacity mAh):	Lithium 3.7v 600mah
Battery technology:	Lithium
Light technology:	Led
Power (W):	1w
Lumen:	40
Kelvin degrees:	5700k
Colour:	Black
Guarantee:	2 ANNI
Width (mm):	86
Depth (mm):	41
Height (mm):	114
Net weight kg):	0,135

DESCRIZIONE / DESCRIPTION / DESCRIPTION / DESCRIPCIÓN / BESCHREIBUNG

Plastic solar LED wall light; contemporary and refined design; resistant to shocks and atmospheric agents; the electronic part is particularly water resistant. The light turns on automatically at sunset for 8 hours. 20 continuous lumens: the lamp is then used as a lamppost; it will automatically turn off at dawn. If the sensor detects a movement in the field of action, the light turns on automatically at 100%: 40 lumens for 8 seconds. It therefore acts both as a courtesy light and as a security light. Equipped with 0.6W 5V 120mA monocrystalline solar panel and 600mAh li-ion battery.
