DESCRIZIONE / DESCRIPTION / DESCRIPTION / DESCRIPCIÓN / BESCHREIBUNG

Very bright: the strip can be installed anywhere in an instant. Once unrolled, it lights up: 25,000 lumens of light (250W) illuminate the construction site. The warehouse, the garden.... And a very powerful light. Installed on its comfortable reel it is 25 meters long but it is very easy to transport and store. IP65 waterproof: it is protected against splashing water. When it rains, the lamp works normally. Ideal for cantiers but also for all outdoor activities such as markets, stands, outdoor parties, emergency situations ... Robust: it does not fear temperatures: from -20 ° C to + 40 ° C it works safely. 4000K natural light.
