DATI TECNICI / SPECIFICATION / CARACTÉRISTIQUES / CHARACTERISTICAS / SPEZIFIKATIONEN

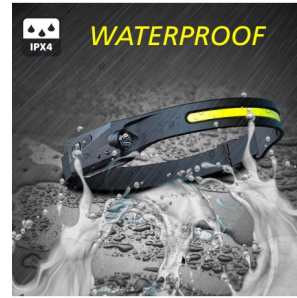

Product name:	BOWIE
Power supply:	Li-poly
Power supply included:	NO
Batteries included:	YES
Battery (type):	OTHER
Battery (capacity mAh):	1200
Battery technology:	LI-PO
Battery weight:	0.018
Charging Time (hrs):	5
Runtime (hrs):	5
Light technology:	COB LED
Light bulb technology:	LED SMD
Power (W):	5
Lumen:	350
Light beam:	FOCUS + DIFFUSE
Range (m):	80
Materials:	PLASTIC - OTHER
Dimmable:	YES
Insulation class:	III
Power cable length (cm):	15
Colour:	BLACK
Switch:	YES
Protection degree (IP):	IPX4
Accessories included:	USB CABLE Type C
Lamp included:	YES
Guarantee:	2 ANNI
Product width (mm):	205
Product depth (mm):	200
Product height (mm):	40
Net weight kg):	0,1

DESCRIZIONE / DESCRIPTION / DESCRIPTION / DESCRIPCIÓN / BESCHREIBUNG

5 Light Modes: The LED headlamp has 5 light modes: 100% COB light strip, 50% COB light strip, 100% side light, 50% side light, strobe (whichever mode you are in) you find, long press the On/Off button for 3 seconds for strobe mode: useful in an emergency). This headlamp will satisfy all your lighting needs. It is a very powerful headlamp: up to 350 lumens (COB band). Motion sensor and USB rechargeable: The motion sensor LED headlamp is equipped with sensors that detect hand movements and therefore turn the light on/off easily without having to touch the switch! Convenient when your hands are dirty or busy. The USB charging cable allows you to charge the headlamp from any USB device (mobile phone charger, powerbank, PC etc... USB cable included). The lithium battery is of the latest generation. Of good capacity (1200mAh), it guarantees you up to 5 hours of light. 2 in 1 light: full area lighting and long distance lighting. The rechargeable headlamp offers 2 types of light: 1) with the COB headband you will have lighting with a 230 degree field of vision (perfect for illuminating a large area) and 2) with the "high power" side torch you will have a focused and precise lighting at long distance (80m). This 2-in-1 function will allow you to choose the light that best suits your activities. Light and comfortable: the weight of the headlamp is only 80 grams. In addition, the elastic is easily adjustable, perfect for those who need comfortable lighting. The elastic and non-slip silicone band and allows the headlamp to easily adapt to children and adults. Multi-function headlamp: IP44 waterproof headlamp, allowing you to use it when working or hiking and outdoor activities, even in rainy or snowy days. Hands-free headlamp perfect for running, walking, fishing, hunting, hiking, biking, reading, caving and car repairs.
